### ***Representative Topics for Professional Development Workshops***

Professional development workshops on a variety of topics are available to adult and family education programs throughout Illinois. This menu lists possible workshop topics for:

- Evidence-based Reading
- ESL
- Citizenship
- ABE
- Family Literacy
- Technology
- GED®
- Learning Disabilities

The no-cost workshops can be held *locally* (at your site with your staff exclusively) or *regionally* (in cooperation with other programs/staff in your area). Workshop lengths are flexible and can also be multi-day with interim tasks.

In order to offer effective, interactive workshops, we request that there be a minimum of 12 participants. Suggested minimum length for workshops is 90 minutes. Four weeks advance notice is requested when scheduling workshops.

To request a workshop, contact:
