

Setting-up Your Pre-K Classroom Environment...

LIVE interactive webinar...

for Preschool for All/Block Grant Teachers and Administrators

Event ID #114130070

Thursday, August 26, 2010

4:00 – 6:00 pm

During this live webinar, teachers and administrators will have an opportunity to “take a tour” of a prekindergarten classroom in Dallas City, and a basic walk-through of setting-up a quality and age-appropriate early childhood prekindergarten classroom.

Presenters:

Linda Housewright, Preschool for All/Block Grant Pre-K Teacher and Trainer - Dallas City, Illinois
Rhonda Clark, Illinois State Board of Education Consultant - Springfield, Illinois

Online registration is available. Or, visit www.thecenterweb.org/ec and download a registration form.

Fax completed form to: (847) 278-5436. The registration deadline is *Monday, August 24, 2010*.

If you have specific questions regarding the classroom environment that you would like answered during the webinar, please send them to irc-ec@cntrmail.org before *Monday, August 23, 2010*.

Two hours of CPDU credit will be provided. This webinar is part I of a VI part series. Watch our website for additional dates. Dates will also be shared during the webinar.

Have you considered including your colleagues by setting up a classroom/training room with an LCD projector, computer, and an Internet connection so you can participate together? Questions or more information about the webinar or registration? Call or email us at the IRC:EC (224) 366-8525 or irc-ec@cntrmail.org.

A project of The Center, funding by the Illinois State Board of Education
